Question 2: What part of the meeting did you feel was the most value to you?
Responding attendees **all** replied (perhaps in slightly different words):
Information sharing and networking.

Sarnia Newcomers is a vibrant, fun and exciting club, and their enthusiasm and friendliness was evident in every aspect of the conference including the responses on the evaluation forms.

Of the twenty-six evaluation forms we received the vast majority found the facility, staff and food excellent. The seminars were also extremely well received and in general people responding had lots of fun and enjoyed all aspects of the conference.

Two/Three different attendees suggested the items below for consideration at future conferences:

- Change the seating plan throughout the day in order to facilitate more networking.
- Organize a local tour over the weekend for out of town guests. (Optional added expense for the attendees if made available).
- Arrange car-pooling or shuttle service from the conference hotel to the Friday evening venue.

Several people had 'wish list' items for our newsletter 'The LINK' and these have been passed on to Lisa our Newsletter Editor.

Some responders mentioned on-going issues that are occurring in their clubs of particular interest: that could serve as break out session topics for future conferences.

- Men as members.
- Forming alumni clubs.
- Attracting new members.
- Community involvement and charity fund-raising.

In general responders

- Appreciated the friendliness of National Board members, Sarnia Club members and out-of-town guests.
- Kindly thanked the organizers for all their excellent hard work in organizing a very informative and enjoyable weekend.

Respectfully submitted: Verna Dennis, NNCC Web Editor, Dec, 2010
